- 2.5 million men and women of our armed forces, 122,000 from Washington State, met the test, fighting in harsh terrain and extremes of weather, in battles and actions;

- 528 Washington State residents and five Clallam County residents were killed in action between 1950 and 1953, and over 40 known men had been missing in action or held as prisoners of war;
- 33,629 members of the United States armed forces lost their lives between 1950 and 1953;
- 2,000 United States service members have died as a direct result of responding to one of the 40,479 hostile incidents or breaches since the truce has been signed; and
- it is appropriate to honor the service and sacrifice of Washington State Korean War Veterans who served the nation in that war with such valor and distinction.

The Legislature requests that copies of this memorial be immediately transmitted to the Secretary of Transportation, the Department of Transportation, and the Transportation Commission and that the Transportation Commission commence proceedings to name Highway 113 in Clallam County between the junction of Highway 101 and the junction of Highway 112, and Highway 112 from the junction of Highway 113 to the Makah Indian Reservation in Neah Bay the "Korean War Veteran's Blue Star Memorial Highway(s)."
